## **SEVEN LAKES SNOWMOBILE CLUB**

P.O. BOX 311

EAST WAKEFIELD, NH 03830

Web Site: [www.Sevenlakesnowmobileclub.com](http://www.Sevenlakesnowmobileclub.com)

**October, 2017**

**Nancy Clifford, Secretary**

### **Join Now:**

The holidays are fast approaching, as is the snowmobiling season. It is best for everyone that you join now, instead of being part of the lastminute rush when the snow starts to fly. We also encourage you to secure your club membership before you register your sleds. It is unfair to our registration vendors to show up on a snowy Saturday morning and expect to join and register at the same time.

You can no longer join the club through the NHSA Website. However, you can through PayPal or by mailing your application and payment to the club post office box.

### **Donations:**

A big thank you to all who have donated to the groomer fund, helping us to pay down our loan for Tucker II. The current balance is \$26,386. Your continued support is greatly appreciated, as are your generous donations to Easter Seals.

### **Safety Course:**

The County will hold a safety course on Saturday, December 16<sup>th</sup> from 8am to 3pm at Harley Jacks (formerly Sunny Villa). To sign up contact Don Foote at 603-918-0958 or [footedonald5@gmail.com](mailto:footedonald5@gmail.com).

### **Club President:**

Last March we elected a new club president: Brian Batchelder. He followed Len Abrahamson, who had lead us enthusiastically for ten years. Unfortunately, Len developed brain cancer and passed last July, a year after his diagnosis. He will be missed.

Fortunately for us, Brian accepted his new position and is working diligently to make Seven Lakes the best it can be. We look forward to hearing from Brian in future newsletter.
